John Chapman (rugby union) John Chapman (born 11 April 1943) is a former Ireland international rugby union player. Chapman made his first international appearance for Ireland on 4 February 1965 at the age of 18, in a game against the South African Springboks. He was capped 23 times. His last cap came against the New Zealand All Blacks in January 1968. In 1967 Chapman was selected for the British Lions tour of Australia and played in five matches. He toured on a split tour as he was not selected for the first Test against the Wallabies. He would return for the final two games against Australia and New Zealand. Chapman played club rugby for Richmond and London Irish before moving to English club Blackheath
